Dear Dr. Yessin:

The Student Government is responsible for allocating in a responsible and fair manner the Activity and Service Fees. Therefore, there are times when we must reject legislation that does not represent the full purpose of the A&S fee. It has been the interpretation of the Student Government that academic travel, programs and activities fall outside of the A&S guidelines.

Therefore, I have been compelled to veto SB93S-774 which was a request from your department. Although I regret the timing of the events, I must stand by my original decision. Also, once I, the SGA President have signed legislation, the only way to reverse the decision is by an override by the SGA Senate.

If you so wish, you may encourage the SGA Vice President, Kerry Heyward to bring the legislation back to Senate at its first meeting of the Summer for reconsideration. However, this process does not guarantee that the legislation will receive funding. This is the only way to reverse the decision.

It is my sincere hope that you will continue to come to Student Government if you have viable requests. Unfortunately, this request has stepped over the boundaries of the A&S Fee. Thank you.

Sincerely,

Lavon S. Banks
